Teleconferencing & Public Hearing Protocol

- Public hearing teleconferences are electronic extensions of the committee process, it is usually limited to a specific subject or bill.
- The chair may request that the testimony be limited to a certain length of time, and will decide the order of participation in the teleconference.
- Before starting your testimony, state your name and who you represent, if applicable. Also remember to identify yourself each time you speak. Indicate to the chair when you have concluded your testimony.
- Hearing protocol is selected by the committee chairperson. Teleconference protocol during formal committee meetings are designed to serve the agenda of the committee and also accommodate the conventions of a legislative hearing.

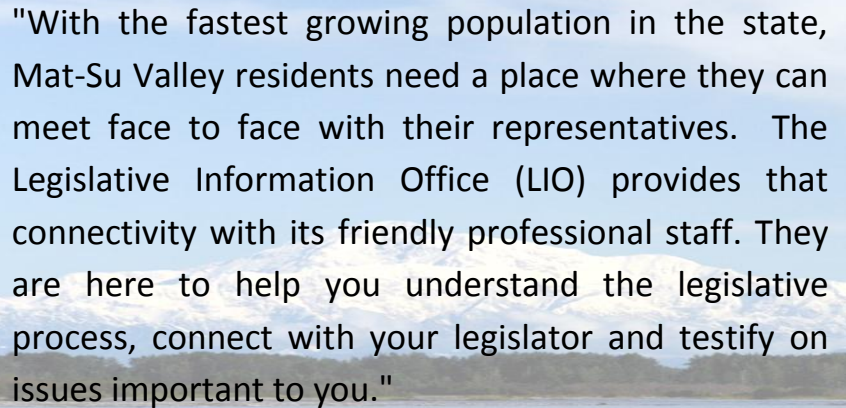

"The Legislative Information Office in Wasilla is a centrally located point of contact for the people of the Mat-Su Valley to communicate with legislative offices, whether that is meeting in person with their legislator or via teleconference while we're in Juneau during the Legislative Session."

- Representative Bill Stoltze
